

## **Disclaimer**

**THE CABLE SET WITH PART NUMBER 752524 DOES NOT ACTIVATE TRAILER MODE.**

### **Applicability**

The following disclaimer applies to the installation and use of the cable set with part number 752524, in relation to Tesla Model 3 and Tesla Model Y car models. By having the cable set installed and using it as such, you agree to the applicability of this disclaimer. If you do not agree to these terms, you should not have the cable set installed and should not use it.

### **Liability for Incorrect Use**

We would like to inform you that the aftermarket towbar cable set 752524 does not communicate with the vehicle system. This means that the vehicle settings are not adjusted for trailer use. Trailer mode is not, and cannot be, activated.

Safe driving with any type of trailer or bike carrier is always the responsibility of the driver. We advise you to take the necessary precautions before using the towbar cable set and to comply with all legal requirements regarding trailer use that apply in your region.

**Brink Group is not liable for any damage resulting from the failure to activate Trailer Mode, nor for the use of an aftermarket towbar or cable set in general.** Additionally, please be aware that the vehicle manufacturer (Tesla Inc.) may not be liable for any damage resulting from the use of aftermarket accessories.
